

NEW BOOK ON CATHOLIC-JEWISH RELATIONS

Catholic-Jewish Relations: Twelve Key Themes for Teaching and Preaching

By Teresa Pirola

Published by Paulist Press, 2023

224 pages

This book provides an introductory guide to key themes articulated in conciliar, papal, and curial statements of the Catholic Church as part of its ongoing dialogue and friendship with the Jewish people.

The author's intent is that the gains of the past sixty years of ecclesial renewal become better known to nonspecialist and grassroots audiences and to help instill a wakeful, informed awareness of what is arguably the most exciting and far-reaching development in the Catholic Church today: a reawakening to the Jewish foundations of Christian faith and the

Church's ongoing path of reconciliation and partnership with the Jewish people.

Teresa Pirola, ThD, is a Catholic writer and pastoral animator who has been active in ministries of church renewal for many years, in Catholic dioceses, parishes and ecclesial movements.
